

About EuroKids

EUROKIDS DHOIGHAT has been established in 2011 as one of the franchisees of EuroKids International Ltd. It conducts its entire program with the help of well researched age appropriate curriculum and child friendly teaching-learning equipment/materials designed and supplied by the EuroKids International Ltd.

EuroKids International, launched in 2001, is a leading pre-school education provider with successful operation of more than 1000 pre-schools in Nepal, India, Bangladesh, Sri-Lanka, Singapore and MiddleEast.

EUROKIDS DHOIGHAT offers both preschool and kindergarten programs that are developmentally appropriate and foster all-round development with an integral approach, helping your child grow physically, intellectually, emotionally and socially.

ATTRIBUTES OF A EUROKIDS CHILD
